Geringhoff Equipment Coverage

GERINGHOFF

HARVEST WITH PEACE OF MIND

Geringhoff products include a factory sponsored Limited Warranty of up to two years and this represents one of the finest warranties available in the agricultural industry. At Harvest Guard we provide Geringhoff equipment repair and replacement service after your Geringhoff Limited Warranty has expired. Harvest Guard coverage lasts until the 60th month after your machine's in-service date and you are free to have your machine repaired by the Authorized Geringhoff dealer of your choice. With Harvest Guard, you'll have confidence that factory defects will be fully covered and your Geringhoff

product will be valued substantially higher if traded in prior to the expiration of the Harvest Guard Coverage. Coverage is transferable to new owners for a small transfer fee of \$100*. Harvest Guard covers both parts and labor and is subject to a very small deductible of \$100*. Our goal is to provide approval for authorized repair services within 2 to 4 hours during harvest or 2 business days in the off-season. Coverage applies to all key features of your Geringhoff harvest header. Contact us at 425-615-6101 or info@harvestguard.com.

*Transfer fees and deductibles are subject to change without notice. See website or contact us by telephone or email for current rates.
